1. David Barsky gave us some general information about references and documents related to the UCC.
2. David Barsky informed us about the course and program proposals from the Spring semester which UCC has not been able to review in Spring.
3. Kara Witzke will try to find a contact person for the review of the MSW.
4. We approved the C2-Form for BA690 pending the change of 3-6 units in the Section 7 (Mode of instruction) to 1-4 units.
5. We approved the C2-Form for BIOL354.
6. We approved the C2-Form for BIOL378 and BIOL378L (now BIOL400 and BIOL400L).
7. We started the discussion about SL399. It became clear that we need some more information about this course, especially we like to see the relation of the course to the upcoming P-Form for Service Learning Certification, the relation to Service Learning in courses of other departments, and answer the question if students can count the units double.
