1. We approved the minutes from 08/28/06.
2. David Barsky gave us an update that now package 3 (Anthropology Major) is posted on his web site.
3. We discussed the P2-form for a change of the Global Studies Minor and the C-forms for the courses GBST100 and GBST300. After some discussion we decided that we have to postpone an approval until we get some more information on GBST300 (email sent to Scott Greenwood).
4. We discussed the C-form for LTWR336e and again we had some questions regarding the Single-Subject Preparation Option and we postponed our discussion (email sent to Martha Stoddard Holmes).
5. We started to look at the P-form for the Service Scholar Program. We were unsure if this proposal falls under the rubric of "CSUSM Certificate of Specialized Study" (email sent to Darci Strother and Staci Beavers).
