

Present:

UCC Voting: Annette Daoud, Kara Witzke, Olaf Hansen

Currently Nonvoting: Robert Aboolian, Jule Gomez de Garcia

Ex officio: Virginia Mann

1. We approved the minutes from 09/25/06.
2. We discussed the answers from Martha Stoddard Holmes. UCC would like to get more information about one question and we postponed the decision until next Monday.
3. We discussed the two proposed new concentrations in Kinesiology and the courses KINE200, KINE201, and KINE406. We approved the two P-forms and the three courses pending the following changes/inquiries:
 - The number of units in the catalog copies should be corrected.
 - Define the abbreviation CPR in the course description for KINE201.
 - Change PSYC300 in the P-form for the “Applied Exercise Science” option.
 - Change the name of the college to College of Arts and Sciences.
 - We think that the concentrations should be called options.
 - Submit a third P-form to change the existing track in Kinesiology also into an option.
 - Reassure that the mode of instruction (C06) for KINE200 and KINE201 is correct.
4. We further discussed the Major in Anthropology. We will invite Bonnie Bade to our next UCC meeting, Monday, October 9. An email will be sent to Bonnie Bade.
