

Present:

**UCC Voting:** Annette Daoud, Jule Gomez de Garcia, Gabriela Sonntag, Kara Witzke, Olaf Hansen

**Excused:** Robert Aboolian

**Ex officio:** David Barsky, Virginia Mann

1. We approved the minutes from March 19.
2. We were informed that UCC might have to look at “Instructional Materials Accessibility” and the incorporation into the curriculum review process.
3. David Barsky informed us about the conference on the Peoplesoft Software.
4. We discussed the course proposals SPAN202 and SPAN202B. UCC had several questions which will be sent to Veronica Anover.
5. We discussed the proposed program change for the certificate “Level I Mild/Moderate Education Specialist Credential Program”, Annette Daoud will ask if the current catalog copy corresponds to the requested changes.
6. UCC approved the new courses EDMX511, EDMX512, EDMX521.
7. UCC discussed the proposed courses EDST635, EDST636, EDST637. There were questions if these courses are on a 600 level. The UCC asked for sample assignments. There was also the question if the grade assignment is sufficiently clearly articulated in the course syllabus for pure online courses.
