

Present:

UCC Voting: Judith Downie, Jule Gómez de García, Michael Hughes, Delores Lindsey, Yi Sun, Olaf Hansen

Ex officio: David Barsky, Virginia Mann, Jennifer Lewis

1. We approved the minutes from April 20.
2. UCC discussed the newly submitted material for the courses BIO372, BIOL372L, BIOL401, BIOL513. It appears that the proposer did not respond to the question about the SLOs. UCC will ask again and include the chair of the Biology department in the conversation.
3. UCC discussed the changes connected to the creation of the two new courses BIOL177/178 out of BIOL175/176 for Kinesiology students. Is it really necessary to create new courses (with the same course descriptions). David Barsky will investigate if it would not be possible to keep the courses BIOL175/176 and assign certain sections to certain majors.
4. The P2-Form for the Option in Physical Education in Kinesiology together with the courses changes and proposals for KINE205, KINE206, KINE208, KINE402, and KINE407 were approved. KINE407 pending the clarification if the School of Nursing was informed about the new course (Monday, April 20, 2009, 16:45 Virginia Mann confirmed that Nursing signed off on the new course, original as KINE390-3).
5. The course changes for BIOL503 and BIOL503L were approved.
6. The course change for CHEM491 was approved.
7. The course change for ECON328 was approved, pending notification of CoBA about the new course.
8. The deletion of ECON610 was approved.
9. UCC discussed the course proposal for LTWR211/WMST211. UCC asked Virginia Mann to inform the History and the Word Languages department about the new course. UCC will ask the proposers for a list of SLOs for the course.
10. The prerequisite change for MASS424 was approved.
11. The prerequisite change for MATH270 was approved.
12. The LTWR P2-Form was approved, all 5 changes.
13. The course PSCI343 was approved, pending the notification of the History department.
14. The changes for the courses PSCI493 and PSCI494 were approved pending the following changes: The sentence "Completion of core courses." should be deleted in both forms. The first sentence of the course description of PSCI494 should be deleted and replaced by "This course or PSCI493 is required for all Political Science majors and must be taken in the last semester of the major", similar to PSCI493.
15. The P2-Forms for the addition of one course to Sociology, Children, Youth and Family Concentration; and Critical Race Studies Concentrations was approved. The addition of one course to the Criminology and Justice Studies electives was also approved. The prerequisite change for SOC498 was approved.
16. The unit changes for WMST495 were approved with one correction the instruction mode S49 should be S48.

Olaf Hansen
