

**** The day of the class, as a courtesy, send an email to all library staff to alert everyone to the scavenger hunt**

Librarian Instructions:

1. Introduction & Rules

- a. Purpose - To familiarize you with the physical library building. Learn where to get things you need, where to get help, and find places to study.
- b. Directions – Visit each location on handout and either take a picture or answer a question about each location.
- c. Set end time (if you're not done by certain time, come back)
- d. The whole group must stay together at all times
- e. No running
- f. Use indoor voices esp. on 4th and 5th floors
- g. Extra credit (optional)

2. Divide students into groups of four

- a. Need one camera phone and writing utensil
- b. Leave personal belongings in classroom

3. Pass out handouts (worksheet & map) to group and go over contents

- a. Review each location specifically
- b. Review group roles:
 - i. Leader: Keeps group on task, maintains decorum, presents to class if necessary
 - ii. Navigator: in charge of map, provides directions & reads signs
 - iii. Recorder: keeps notes, fills out handout
 - iv. Photographer: takes picture using camera phone
- c. Start groups on different floors (ex. Groups 1 & 2 = Floor 2, Group 3 = Floor 3, etc.)

4. Check pictures and quiz of first group that returns

5. Review quiz and debrief

- a. What was the hardest/most challenging part of the scavenger hunt?

Scavenger Hunt
